Guests in Attendance: Kelly Riether and Rachel Maldonado from the Red Cross and Tommy Liverett from DEC.

Minutes were distributed, along with financial reports.

Reports

Financial:

See separate handout. Report was given but no motions were made due to lack of quorum.

BREMSS:

No report.

COG:

Report was given by Howard Downs, meeting to be held on Tuesday, April 18th. Chris Key mentioned the AED batteries and pads program. Type, model numbers and serial numbers need to be in by the end of April. This will help with ordering and make the receipt of resupplies quicker for the individual departments AEDs.

FORESTRY:

No Report.

RED CROSS:

One family was helped in March. Red Cross will help with not only fire but storm damage too. Fires can be of almost any size for them to help. It does not have to be a total loss fire, a one room fire or kitchen fire will qualify for Red Cross help.

DEC:

DEC will help with fire and water damage. Contact Tommy or Jody. Tommy and Jody will be alternating months for attendance in meeting.

OLD BUSINESS (just discussions)

- There was some discussion on Fire College Weekend and how to register for the classes.

NEW BUSINESS (just discussions)

- Radios paging a problem for Cool Springs and several other departments. According to Cool Spring, the night page is not going off and they're missing about 80% of the calls. This seems to be a problem with other departments too.
- Chris Key mentioned A.F.B.A. being a sponsor for next month at Shoal Creek. \$5000.00 dollars free life insurance policy to volunteer firefighters. They will be at the May meeting to discuss and offer individual life insurance policies.

Meeting was adjourned.
